Jacksions Crane and Heavy Haulage Ltd
PO Box 437
Timaru 7940

Dear Dave

Centennial Park Bridge

Thank you for sponsoring the haulage and crane for installing the replacement bridge in Centennial Park.

This generous contribution certainly helped control the budget expenditure for this job and I am sure that it will be appreciated by many users of Centennial Park. With luck it will be ready for the 12 hour mountain bike race this weekend.

It was good to see the photo of your crane lifting it into place on the front page.

Thanks again for being so community minded.

Yours sincerely

Bill Steans
Parks and Recreation Manager
